They couldn't separate the old theories from the new facts." Eve took a sip from her wineglass, then continued, "But the Chironians never grew up with any of that brainwashing. They made a clean start with science and advanced technologies all around them and taken for granted, and they understand that new technologies create new resources ...without limit." While the SD commander moved his men back to form a cordon blocking off the intersection, Sirocco ordered his squad to take up clubs and riot shields. The Chironians didn't watch their children being brought home in body-bags, he reflected; they didn't teach them that it was noble to die for obstinate old men who would never have to face a gun, or send them away to be slaughtered by the thousands defending other people's obsessions. The Chironians didn't fight that way.. "Hmph." Merrick waved a hand at the screen. "Doesn't have the academies. He'd need to do at least a year with kids half his age.
