be so great for both your life and you. Johnny took the news of his impending stardom with total unconcern. He moved to the couch and sat down, yawning. "Detweiler? Don't think I ever laid eyes on the man. What'd he do?". A twig can be placed in the ground, where it may take root and grow, producing a complete organism of the kind of which it was once only a twig. Or the twig can be grafted to the branch of another tree (of a different variety even), where it can grow and flourish. In either case, it is an organism with a single parent, and sex has had nothing to do with its making. It is because human beings first encountered this asexual form of reproduction, his connection with fruit trees probably, that such a one-parent organism of non-sexual origin is called a "twig"; that is, "clone".
