"Yes," Irioth said. "I understand. You are a kind woman." She was talking about him, about his not knowing what he was doing. She was forgiving him. "A kind sister," he said. The words were so new to him, words he had never said or thought before, that he thought he had spoken them in the True Speech, which he must not speak. But she only shrugged, with a frowning smile..patterning, naming, and the crafts of illusion, and the knowledge of the songs. Those are the arts.The Doorkeeper caught up with her as she came to a cross-corridor and stood not knowing which way to take. "This way," he said, falling into step beside her, and after a while, "This way," and so they came quite soon to a door. It was not made of horn and ivory. It was uncarved oak, black and massive, with an iron bolt worn thin with age. "This is the back door," the mage said, unbolting it. "Media's Gate, they used to call it. I keep both doors." He opened it. The brightness of the day dazzled Irian's eyes. When she could see clearly she saw a path leading from the door through the gardens and the fields beyond them; beyond the fields were the high trees, and the swell of Roke Knoll off to the right. But standing on the path just outside the door as if waiting for them was the pale-haired man with narrow eyes..her mind to watch their careful work. She wished she could help them at it. The waiting and the.up the street with him..more or less concealed violence) and deified by the priests of Awabath. The Four Lands were.that way you dip your head, so. And when you know there's ore underfoot, you stamp on the place..It was not the face she had thought it. It was worn, and hard, and scarred all down one side. The.At first he had thought Diamond had a knack such as many children had and then lost, a stray spark of magery. When he was a little boy, Golden himself had been able to make his own shadow shine and sparkle. His family had praised him for the trick and made him show it off to visitors; and then when he was seven or eight he had lost the hang of it and never could do it again.. "You want me to stay?".and jealousy he knew and shrank from, and contempt he remembered. He was glad he was not one of.Hound smiled. "They haven't undone what you did yet, either," he said. "Old Whiteface was crawling.and warm in the late dusk, only the largest stars burning through a milky overcast. She slipped."One of the old women you had tortured before they burned the lot, you know? Well, the fellow who did it told me. She talked about her son on Roke. Calling out to him to come, you know. But like as if he had the power to.".doing what they could to keep the few roads out from becoming choked and murderous with panicky."Sit down," she said. He sat down, but he sat fretting..bench beside her door and set the spindle turning. She had spun a yard of grey-brown yarn before."Nowhere," said the Doorkeeper. "I let her out as I let her in, at her desire.".to do is run the farm, and try to stand up and speak truth. But if I thought it was all tricks and.way out, in the aisle, she put both her hands into a small niche lined with tiles; something in there.That had always been his word for evil doings, spells for gain, curses, black magic: "sticky stuff." "Every spell depends on every other spell," said Highdrake. Emer greeted him and scolded him and tried to make him eat, but.When he got up at last, he wondered how old he was, and looked at his hands and arms to see if he.Of late, entering always deeper into the mysteries of a certain lore-book brought back from the Isle of Way by one of Losen's raiders, Gelluk had become indifferent to most of the arts he had learned or had discovered for himself. The book convinced him that all of them were only shadows or hints of a greater mastery. As one true element controlled all substances, one true knowledge contained all others. Approaching ever closer to that mastery, he understood that the crafts of wizards were as crude and false as Losen's title and rule. When he was one with the true element, he would be the one true king. Alone among men he would speak the words of making and unmaking. He would have dragons for his dogs..the night, laying to in any bay or harbor; but there was no moorage on this crossing, and since.Next morning he picked a sprig of herb from the kitchen-garden of the inn and spelled it into the semblance of a fine staff, coppershod and his own height exactly. "What is the wood?" Dragonfly asked, fascinated, when she saw it, and when he answered with a laugh, "Rosemary," she laughed too..He had no thought of hiding or protecting himself. Luckily for him there were no guards about; there were few guards, and they were not on the alert, since the wizard's spells had kept the prison shut. The spells were gone, but the people in the tower did not know it, working on under the greater spell of hopelessness..file:///D:/Documents%20and%20Settings/harry/D...20%20LeGuin%20-%20Tales%20From%20Earthsea.txt (1 of 111) [2/5/2004 12:33:30 AM]."Was that the Archmage?
