We're the best place to get for the book that is referred. And your time to get this specific guide since on the list of compromises has already been ready. O friends, the East wind waxeth, the morning draweth near, iii. 123. The subscribers to my "Book of the Thousand Nights and One Night" and the present "Tales from the Arabic" have now before them a complete English rendering (the first ever made) of all the

tales contained in the four printed (Arabic) Texts of the original work and I have, therefore, thought it well to add to this, the last Volume of my Translation, full Tables of Contents of these latter, a comparison of which will show the exact composition of the different Editions and the particulars in which they differ from one another, together with the manner in which the various stories that make up the respective collections are distributed over the Nights. In each Table, the titles of the stories occurring only in the Edition of which it gives the contents are printed in Italics and each Tale is referred to the number of the Night on which it is begun. When I entered the service of this Amir, (88) I had a great repute and every lewd fellow feared me of all mankind, and whenas I rode through the city, all the folk would point at me with their fingers and eyes. It befell one day, as I sat in the house of the prefecture, with my back against a wall, considering in myself, there fell somewhat in my lap, and behold, it was a purse sealed and tied. So I took it in my hand and behold, it had in it a hundred dirhems, (89) but I found not who threw it and I said, "Extolled be the perfection of God, the King of the Kingdoms!" (90) Another day, [as I sat on like wise,] somewhat fell on me and startled me, and behold, it was a purse like the first. So I took it and concealing its affair, made as if I slept, albeit sleep was not with me. Shehriyar, Shehrzad and, ii. 111, iii. 141, 157. Then she turned and saw within the chamber an old man, comely of hoariness, venerable of aspect, who was dancing on apt and goodly wise, a dance the like whereof none might avail unto. So she sought refuge with God the Most High from Satan the Stoned (193) and said, 'I will not give over what I am about, for that which God decreeth, He carrieth into execution.' Accordingly, she went on singing till the old man came up to her and kissed the earth before her, saying, 'Well done, O Queen of the East and the West! May the world be not bereaved of thee! By Allah, indeed thou art perfect of qualities and ingredients, O Tuhfet es Sudour! (194) Dost thou know me?' 'Nay, by Allah,' answered she; 'but methinks thou art of the Jinn.' Quoth he, 'Thou sayst sooth; I am the Sheikh Aboutawaif (195) Iblis, and I come to thee every night, and with me thy sister Kemeriyeh, for that she loveth thee and sweareth not but by thy life; and her life is not pleasant to her, except she come to thee and see thee, what while thou seest her not. As for me, I come to thee upon an affair, wherein thou shall find thine advantage and whereby thou shalt rise to high rank with the kings of the Jinn and rule them, even as thou rulest mankind; [and to that end I would have thee come with me and be present at the festival of my son's circumcision; (196)] for that the Jinn are agreed upon the manifestation of thine affair.' And she answered, 'In the name of God.' Pious Woman accused of Lewdness, The, ii. 5. Now this (155) was the francolin that bore witness against him. Quoth Selma to Selim, 'Hasten not to slay him, but ponder the matter and consider the issue to which it may lead; for whoso considereth not the issues [of his actions], fortune is no friend to him.' Then they arose on the morrow and occupied themselves with devising how they should turn away their mother from that man, and she forebode mischief from them, by reason of that which she saw in their eyes of alteration, for that she was keen of wit and crafty. So she took precaution for herself against her children and Selma said to Selim, 'Thou seest that whereinto we have fallen through this woman, and indeed she hath gotten wind of our purpose and knoweth that we have discovered her secret. So, doubtless, she will plot against us the like of that which we plot for her; for indeed up to now she had concealed her affair, and now she will forge lies against us; wherefore, methinks, there is a thing [fore-written to us, whereof God (extolled be His perfection and exalted be He!) knew in His foreknowledge and wherein He executeth His ordinances.' 'What is that?' asked he, and she said, 'It is that we arise, I and thou, and go forth this night from this land and seek us a land wherein we may live and witness nought of the doings of yonder traitress; for whoso is absent from the eye is absent from the heart, and quoth one of the poets in the following verse: Now Ilan Shah had three viziers, in whose hands the affairs [of the kingdom] were [aforetime] and they had been used to leave not the king night nor day; but they became shut out from him by reason of Abou Temam and the king was occupied with him to their exclusion. So they took counsel together upon the matter and said, 'What counsel ye we should do, seeing that the king is occupied from us with yonder man, and indeed he honoureth him more than us? But now come, let us cast about for a device, whereby we may remove him from the king.' So each of them spoke forth that which was in his mind, and one of them said, 'The king of the Turks hath a daughter, whose like there is not in the world, and whatsoever messenger goeth to demand her in marriage, her father slayeth him. Now our king hath no knowledge of this; so, come, let us foregather with him and bring up the talk of her. When his heart is taken with her, we will counsel him to despatch Abou Temam to seek her hand in marriage; whereupon her father will slay him and we shall be quit of him, for we have had enough of his affair.' When the Khalif heard this, he laughed heartily and said, "By Allah, O my brother, thou art indeed excused in this matter, now that I know the cause and that the cause hath a tail. Nevertheless if it please God, I will not sever myself from thee." "O my guest," replied Aboulhusn, "did I not say to thee, 'Far be it that what is past should recur! For that I will never again foregather with any?'" Then the Khalif rose and Aboulhusn set before him a dish of roast goose and a cake of manchet-bread and sitting down, fell to cutting off morsels and feeding the Khalif therewith. They gave not over eating thus till they were content, when Aboulhusn brought bowl and ewer and potash (16) and they washed their hands. STORY OF THE SHARPERS WITH THE MONEY-CHANGER AND THE ASS. 96. Ali ben Tahir and the Girl Mounis dclxxxviii. 29. Maan ben Zaideh and the three Girls dxxxii. Presently, her husband entered and saw the girdle and knew it. Now he was ware of the king's love for women; so he said to his wife, 'What is this that I see with thee?' Quoth she, 'I will tell thee the truth,' and recounted to him the story; but he believed her not and doubt entered into his heart. As for the king, he passed that night in chagrin and concern, and when it morrowed, he summoned the chamberlain and investing him with the governance of one of his provinces, bade him betake himself thither, purposing, after he should have departed and come to his destination, to foregather with his wife. The chamberlain perceived [his intent] and knew his design; so he answered, saying, 'Hearkening and obedience. I will go and set my affairs in order and give such charges as may be necessary for the welfare of my estate; then will I go about the king's occasion.' And the king said, 'Do this and hasten.' There was once in the land of Hind a king of illustrious station, endowed with understanding and good sense, and his name was Shah Bekht. He had a vizier, a man of worth and intelligence, prudent in counsel, conformable to him in his governance and just in his judgment; wherefore his enviers were many and many were the hypocrites, who sought in him faults and set snares for him, so that they insinuated into King Shah Bekht's eye hatred and rancour against him and sowed despite against him in his heart; and plot followed after plot, till [at last] the king was brought to arrest him and lay him in prison and confiscate his good and avoid his estate. (77). ? ? ? ? t. The Sandalwood Merchant and the Sharpers dccccxcviii. There was once a king of the kings of Hind, who was goodly of polity, praiseworthy in administration, just to his subjects, beneficent to men of learning and piety and asceticism and devoutness and worship and shunning traitors and froward folk and those of lewd life. On this wise of polity he abode in his kingship what God the Most High willed of days and hours and years, and he married the daughter of his father's brother, a beautiful and lovely woman, endowed with brightness and perfection,

who had been reared in the king's house in splendour and delight. She bore him two sons, the comeliest that might be of boys. Then came fore-ordained fate, which there is no warding off, and God the Most High raised up against the king another king, who came forth upon his realm, and all the folk of the city, who had a mind unto evil and lewdness, joined themselves unto him. So he fortified himself against the king and made himself master of his kingdom, putting his troops to the rout and slaying his guards..When came the time [of the accomplishment] of the foreordered fate and the fortune graven on the forehead and there abode for the boy but ten days till the seven years should be complete, there came to the mountain hunters hunting wild beasts and seeing a lion, gave chase to him. He fled from them and seeking refuge in the mountain, fell into the pit in its midst. The nurse saw him forthright and fled from him into one of the closets; whereupon the lion made for the boy and seizing upon him, tore his shoulder, after which he sought the closet wherein was the nurse and falling upon her, devoured her, whilst the boy abode cast down in a swoon. Meanwhile, when the hunters saw that the lion had fallen into the pit, they came to the mouth thereof and heard the shrieking of the boy and the woman; and after awhile the cries ceased, whereby they knew that the lion had made an end of them..Jest of a Thief, A Merry, ii. 186..Ilan Shah and Abou Temam, Story of, i. 126..So the wicked man attained that which he sought of the vizier and the case was prolonged till the affairs of the kingdom became disordered, by dint of ill governance, and the most part of the king's empery fell away from him and he came nigh unto ruin. Therewithal he was certified of the loyalty of his [late] skilful vizier and the excellence of his governance and the justness of his judgment. So he sent after him and brought him and the wicked man before him and summoning the grandees of his realm and the chiefs of his state to his presence, gave them leave to talk and dispute and forbade the wicked man from that his lewd opinion. (80) Then arose that wise and skilful vizier and praised God the Most High and lauded Him and glorified Him and hallowed Him and attested His unity and disputed with the wicked man and overcame him and put him to silence; nor did he cease from him till he enforced him to make confession of repentance [and turning away] from that which he had believed..? ? ? ? All wasted is my body and bowels tortured sore; Love's fire on me still waxeth, mine eyes with tears still rain..106. The Man of Upper Egypt and his Frank Wife dcccxxii.When she had made an end of her song, she threw the lute from her hand and wept and lamented. Then she slept awhile and presently awaking, said, "O elder, hast thou what we may eat?" "O my lady," answered the old man, "there is the rest of the food;" but she said, "I will not eat of a thing I have left. Go down to the market and fetch us what we may eat." Quoth he, "Excuse me, O my lady; I cannot stand up, for that I am overcome with wine; but with me is the servant of the mosque, who is a sharp youth and an intelligent. I will call him, so he may buy thee that which thou desirest." "Whence hast thou this servant?" asked she; and he replied, "He is of the people of Damascus." When she heard him speak of the people of Damascus, she gave a sob, that she swooned away; and when she came to herself, she said, "Woe's me for the people of Damascus and for those who are therein! Call him, O elder, that he may do our occasions."..Now the king's vizier had two daughters, own sisters, the elder of whom had read books and made herself mistress of [all] sciences and studied the writings of the sages and the histories of the boon-companions, (160) and she was possessed of abundant wit and knowledge galore and surpassing apprehension. She heard that which the folk suffered from the king and his despiteous usage of their children; whereupon compassion gat hold upon her for them and jealousy and she besought God the Most High that He would bring the king to renounce that his heresy, (161) and God answered her prayer. Then she took counsel with her younger sister and said to her, 'I mean to contrive somewhat for the liberation of the people's children; and it is that I will go up to the king [and offer myself to him], and when I come to his presence, I will seek thee. When thou comest in to me and the king hath done his occasion [of me], do thou say to me, 'O my sister, let me hear and let the king hear a story of thy goodly stories, wherewithal we may beguile the waking hours of our night, till we take leave of each other.' 'It is well,' answered the other. 'Surely this contrivance will deter the king from his heresy and thou shalt be requited with exceeding favour and abounding recompense in the world to come, for that indeed thou adventrest thyself and wilt either perish or attain to thy desire.'..Woman (The Old), the Merchant and the King, i. 265.
