Nor had anyone lived in it for a long time, from the feel of it. But it was a pleasant feeling, as if those who had slept there had slept peacefully. As for decrepit walls, mice, cobwebs, and scant furniture, none of that was new to Irian. She found a bald broom and swept out a bit. She unrolled her blanket on the plank bed. She found a cracked pitcher in a skew-doored cabinet and filled it with water from the stream that ran clear and quiet ten steps from the door. She did these things in a kind of trance, and having done them, sat down in the grass with her back against the house wall, which held the heat of the sun, and fell asleep..Havnor," he

"The wind blew, the long grass nodded in the wind. Summer was getting on and the grass was dry now, try to close himself off to it. "I will not work in the service of evil!" he told himself. Then. breakfast. So it was with warm food in his belly and a certain chill courage in his heart that he. He followed him down one of the principal streets and from it into a district of small houses, the old weavers' quarter. They grew flax on Pody, and there were stone retting houses, now mostly unused, and looms to be seen by the windows of some of the houses. In a little square where there was shade from the hot sun four or five women sat spinning by a well. Children played nearby, listless with the heat, scrawny, staring without much interest at the strangers. Tern had walked there unhesitating, as if he knew where he was going. Now he stopped and greeted the women. But how did Otter know that? "A school," Ember said. "Where the wise might come to learn from one another, to study the pattern... The Grove would shelter us." She looked him up and down. "Marks on it, sir," she said. And then, to Tern, in a different tone, "If you'd like to come with me, she lives this way. And though she's only a girl, and poor, I'll tell you, peddler, she has an open hand. Though perhaps not all of us do." He made the sign; she looked at him for a moment. "That's easy," she said softly, and made the sign in return, "but not always safe, among strangers." deal between the beginning and the end. The Kargs are deeply resistant to writing of any kind, considering it to be sorcerous and wicked. Profoundly disturbing moral choices are sanitized, made cute, made safe.
