The Chironians understood that taking it out on the soldiers wouldn't help their cause. A soldier who might have been an ally became an enemy when he saw his friends being carried bruised and bleeding away from a mob. Everything the Chironians did was designed to subtract from their enemies instead of add to them, and to whittle their opposition down to the hard core that lay at the center, which was all they had any quarrel with. He could see it; Sirocco could see it, and the men could see it. Why couldn't more of the Terrans see it too?.don't you go on after the others. I'll catch up later." You don't want me around?". Leilani knew better than anyone that.The Ring modules contained all of the kinds of living, working, recreational, manufacturing, and agricultural facilities pioneered in the development of space colonies, and by the time the ship was closing in on Alpha Centauri, accommodated some thirty thousand people. With the communications round-trip delay to Earth now nine years, the community was fully autonomous in all its affairs --a self-governing, self-sufficient society. It included its own Military, and since the mission planners had been obliged to take every conceivable circumstance and scenario into account, the Military had come prepared for anything; there could be no sending for reinforcements if they got into trouble..Grinning, Leilani bit into a crisp dill pickle. "I really like you, Micky B. You, too, Mrs. D.".once, blasting away.. "Maybe it was an antidote to all that crap the Eagles sang.".Sirocco frowned and rubbed his nose. "I'm not convinced. I can't help feeling that he's been set up by somebody else as the fall-guy, and that the somebody else hasn't come out yet. Constance Tavenall's voice was crisp with sarcasm but.Colman shook his head slowly. There had been too much to think about in too little time. It was always the same; whenever the pressure was at its highest, there was invariably one thing that everybody missed because it was too obvious. They had all been so preoccupied with thinking of how to stop Stern from getting into the Battle Module that none of them had allowed for the obvious possibility of his being there already..of aspirin..Although Colman was going along with the mood and making a joke out of it, inside he felt a twinge of irritation. He wasn't sure why. Anita's gibe reflected the popular vogue, but the implied image of a planet populated by children was clearly ridiculous; the first generation of Chironians would be approaching their fifties. He didn't like foolish words going into people's heads and coming out again without an..-? thought about their meaning having transpired in between. Anita was an attractive girl, and not stupid. She didn't have to do things like that. Then it occurred to him that perhaps he was being too solemn. Hadn't he just done the same thing?.Lesley held his eye for a second, then nodded. "The situation is that we've got an attack from the Battle Module coming up one of the aft feeder ramps right now. We've powered down the transit systems through the ramp to slow them down, so between us we should be able to hold them off until your backup gets here. How long should they take?" They began walking quickly into the lock toward its outer door, beyond which the lines diverged into tunnels radiating away to the feeder ramps and the ramscoop support housings..heard about the courtesy of the road. Everyone's hellbent on getting to the interstate, racing around and.rousing the farmer and his wife.. "Is it?" Geneva still leaned forward.
