Yes, attainable obtaining the future that is fantastic. However, it's not kind of imagination. Here is enough full time for you to create suitable

master of police held his hand from him, saying, "Belike he is of the kinsmen of the Commander of the Faithful," and said to the second, "Who art thou?" Quoth he, "I am the son of him whose rank (75) time abaseth not, and if it descend (76) one day, it will assuredly return [to its former height]; thou seest the folk [crowd] in troops to the light of his fire, some standing around it and some sitting." So the master of the police refrained from slaying him and said to the third, "Who art thou?" Quoth he, "I am the son of him who plungeth through the ranks (77) with his might and correcteth (78) them with the sword, (79) so that they stand straight; (80) his feet are not loosed from the stirrup, (81) whenas the horsemen on the day of battle are weary." So the master of police held his hand from him also, saying, "Belike, he is the son of a champion of the Arabs." Craft, Women's, ii. 287..It is told of a certain doughty thief, that he used to rob and stop the way by himself upon caravans, and whenever the prefect of police and the magistrates sought him, he would flee from them and fortify himself in the mountains. Now it befell that a certain man journeyed along the road wherein was the robber in question, and this man was alone and knew not the perils that beset his way. So the highwayman came out upon him and said to him, "Bring out that which is with thee, for I mean to slay thee without fail." Quoth the traveller, "Slay me not, but take these saddle-bags and divide [that which is in] them and take the fourth part [thereof]." And the thief answered, "I will not take aught but the whole." "Take half," rejoined the traveller, "and let me go." But the robber replied, "I will take nought but the whole, and I will slay thee [to boot]." And the traveller said, "Take it." The company marvelled at the generosity of this man and his clemency (152) and courtesy, and the Sultan said, 'Tell us another of thy stories.' (153) 'It is well,' answered the officer, 'They avouch that. When the youth saw this, he marvelled at that which his father had done and said, 'This is a sorry treasure.' Then he went forth and fell to eating and drinking with the folk, till nothing was left him and he abode two days without tasting food, at the end of which time he took a handkerchief and selling it for two dirhems, bought bread and milk with the price and left it on the shelf [and went out. Whilst he was gone,] a dog came and took the bread and spoiled the milk, and when the man returned and saw this, he buffeted his face and went forth, distraught, at a venture. Presently, he met a friend of his, to whom he discovered his case, and the other said to him, 'Art thou not ashamed to talk thus? How hast thou wasted all this wealth and now comest telling lies and saying, "The dog hath mounted on the shelf," and talking nonsense?' And he reviled him..? ? ? ? This is my saying; apprehend its purport, then, and know I may in no wise yield consent to that thou dost opine..When the night darkened on her, she called him to mind and her heart clave to him and sleep visited her not; and on this wise she abode days and nights, till she sickened and abstained from food. So her lord went in to her and said to her, "O Sitt el Milah, how findest thou thyself?" "O my lord," answered she, "I am dead without recourse and I beseech thee to bring me my shroud, so I may look on it before my death." Therewithal he went out from her, sore concerned for her, and betook himself to a friend of his, a draper, who had been present on the day when the damsel was cried [for sale]. Quoth his friend to him, "Why do I see thee troubled?" And he answered, "Sitt el Milah is at the point of death and these three days she hath neither eaten nor drunken. I questioned her to-day of her case and she said, 'O my lord, buy me a shroud, so I may look on it before my death.'" Quoth the draper, "Methinks nought ails her but that she is enamoured of the young Damascene and I counsel thee to mention his name to her and avouch to her that he hath foregathered with thee on her account and is desirous of coming to thy house, so he may hear somewhat of her singing. If she say, 'I reck not of him, for there is that to do with me which distracteth me from the Damascene and from other than he,' know that she saith sooth concerning her sickness; but, if she say to thee other than this, acquaint me therewith." Therewithal Queen Es Shuhba was moved to delight and said, 'Well done, O Tuhfeh! Let me have more of thy singing.' So she smote the lute and changing the mode, improvised the following verses on the moss-rose: 112. Abdallah ben Nafi and the King's Son of Cashghar dccccxli. There was once, in a province of Persia, a king of the kings, who was mighty of estate, endowed with majesty and veneration and having troops and guards at his command; but he was childless. Towards the end of his life, his Lord vouchsafed him a male child, and the boy grew up and was comely and learned all manner of knowledge. He made him a private place, to wit, a lofty palace, builded with coloured marbles and [adorned with] jewels and paintings. When the prince entered the palace, he saw in its ceiling the picture [of a woman], than whom he had never beheld a fairer of aspect, and she was compassed about with slave-girls; whereupon he fell down in a swoon and became distraught for love of her. Then he sat under the picture, till, one day, his father came in to him and finding him wasted of body and changed of colour, by reason of his [continual] looking on that picture, thought that he was ill and sent for the sages and physicians, that they might medicine him. Moreover, he said to one of his boon-companions, 'If thou canst learn what aileth my son, thou shalt have of me largesse.' So the courtier went in to the prince and spoke him fair and cajoled him, till he confessed to him that his malady was caused by the picture. Then he returned to the king and told him what ailed his son, whereupon he transported the prince to another palace and made his former lodging the guest-house; and whosoever of the Arabs was entertained therein, he questioned of the picture, but none could give him tidings thereof..When the youth had made an end of his story, the king's anger subsided a little and he said, "Restore him to the prison, for the day draweth to an end, and tomorrow we will took into his affair." When she came in sight of the folk, they kissed the earth before her and she said to them, 'Tell me what hath betided Queen Tuhfeh from yonder dog Meimoun and why did ye not send to me and tell me?' Quoth they, 'And who was this dog that we should send to thee, on his account? Indeed, he was the least and meanest [of the Jinn].' Then they told her what Kemeriyeh and her sisters had done and how they had practised upon Meimoun and delivered Tuhfeh from his hand, fearing lest he should slay her, whenas he found himself discomfited; and she said, 'By Allah, the accursed one was wont to prolong his looking upon her!' And Tuhfeh fell to kissing Queen Es Shuhba's hand, whilst the latter strained her to her bosom and kissed her, saying, 'Trouble is past; so rejoice in assurance of relief.'
