"Celestina, when I met you, my heart was beating but it was dead. It was cold inside me. I thought it would never be warm again, but because of you, it is. You have given my life back to me, and I want now to give my life to you. Will you marry me?". "Yes, Barty," Tom said. "I feel a depth to life, layers beyond layers. Sometimes it's ... scary. Mostly it inspires me. I can't see these other worlds, can't move between them. But with this quarter, I can prove that what I feel isn't my imagination." He extracted a quarter from a jacket pocket, holding it between thumb and forefinger for all but Barty to see. "Angel?". "-and when I get up off the street, my clothes are a mess, and I've got this face." Celestina said, "Phimie wasn't a mind reader. That's science fiction, Dr. Lipscomb." After a while, Franklin Chan asked, "Do you want me with you when you tell him?". After arranging to have the gallery deliver his acquisition, Junior stopped in a nearby diner for lunch. The place specialized in superb heartland food: meat loaf, fried chicken, macaroni and cheese..An IV rack stood beside the bed, dripping fluid into his vein, replacing the electrolytes that he had lost through vomiting, most likely medicating him with an antiemetic as well. His right arm was securely strapped to a supporting board, to prevent him from bending his elbow and accidentally tearing out the needle..Still cautious, Junior approached the back door, the window. Vanadium's body lay on the car floor, wrapped in the tumbled blanket..So quick, this violence, over even as it began. Because he had no interest in aftermath, however, Junior suffered no disappointment at the briefness of the thrill. The past was past, and as he closed the front door and stepped around the body, he focused on the future..To see his newborn baby girl, Barty shared the sight of other Bartys, and he so adored this little wrinkled Mary that he sustained his vision all day, until a thunderous migraine became too much to bear and a sudden frightening slurring of speech drove him back to the comfort of blindness.. "Well, sure," said Mary, "without dying first. That would be the easy way to get there. I'm a Lampion, aren't I? Do we take the easy way, if we can avoid it? Did Daddy take the easiest way up the oak tree?". "Thank you, Dr. Lipscomb. I'll keep track of what you're losing every month, and someday I'll pay it back to you." "Who?" she shouted, though they were perched side by side on a black-leather love seat..Everywhere in the fabled city, calves and knees and magnificent expanses of taut thighs were on display. This brought out the dreamy romantic in Junior, and more than ever he yearned desperately for the perfect woman, the ideal lover, the matching half of his incomplete heart..The paramedic, fingers pressed to the radial artery in Junior's right wrist, must have felt a rocket-quick acceleration in his pulse rate..During the night, he had awakened, seen her in the chair, and covered her with a blanket..When Junior walked the cracked-linoleum corridor and descended the six flights of stairs to the street, he discovered that a thin drizzle was falling. The afternoon grew darker even as he turned his face to the sky, and the cold, dripping city, which swaddled Bartholomew somewhere in its concrete folds, appeared not to be a beacon of culture and sophistication anymore, but a forbidding and dangerous empire, as it had never seemed to him before..He could recall clearly when he had known that he would marry her: during his first year of college, when he'd returned home for the Christmas break. Away at school, he had missed her every day, and the moment that he saw her again, an abiding tension left him, and he felt at peace for the first time in months..At her touch, she felt a tension go out of the doctor. His hands slipped from his face, and he turned to her, shuddering not with fear but with what might have been relief..Only one member of the distant funeral party did not disperse toward the line of cars on the service road. A man in a dark suit headed downhill, between the headstones and the monuments, directly toward Naomi's grave..Leaving Frieda unconscious and reeking, a condition in which her bralessness had no power to arouse him, Junior left..Never would he pause to reload at this desperate penultimate moment, when success or failure might be decided in mere seconds. That would be the choice of a man who thought first and acted later, the behavior of a born loser..Initially, lying drowsily in the sumptuous comfort of Pratesi cotton sheets with black silk piping, Junior assumed that he was in a twilight state between wakefulness and sleep, and that the singing must be a lingering fragment of a dream. Although rising and falling, the voice remained so faint that he didn't at once identify the tune, but when he recognized "Someone to Watch over Me," he sat up in bed and threw back the covers..On December 18, as the Beatles' "Hello Goodbye" rocketed up the charts, Junior boiled over with frustration at his inability to find either love or Seraphim's baby, so he drove across the Golden Gate Bridge, to Marin County and all the way to the town of Terra Linda, where he killed Bartholomew Prosser..The glimmering bay and the shimmering amber candlelight provided the perfect atmosphere for the song that arose now from the piano in the bar..A energy fighting over jurisdiction. We cooperate. The sheriff can de not to put a lot of his limited resources into this, and no one will blame him. He can call it an accident and close the case, and he won't." "Could you undo the spell you put on her?". The old man assumed the solemn and knowing expression of one guarding mysteries, a sphinx without headdress and mane. "If I told you, dear lady, it wouldn't be magic anymore. Merely a trick."..She cupped his face in both of her hands and was barely able to lift his head, for fear of what she would see..Far from idiotic, Junior's cause was his survival and salvation, and he committed himself to it with every fiber of his body, with all of his mind and heart..Smiling in the fearless dark, she listened to the rhythmic breathing of a sleeping boy.. "Worlds," ventured Jacob, "in which that oil-tank truck never stopped on the railroad tracks in Bakersfield, back in '60. So the train never crashed into it and those seventeen people never died." "Maybe," said Angel. "Or maybe to The Monkees ... or maybe to where you didn't get run down by the rhinosharush."..ONWARD THROUGH THIS Monday, January 17, this momentous day, when the ending of one thing is the beginning of another..When he woke, he was in a hospital bed, his upper body slightly elevated. The only illumination was provided by a single window: an ashen light too dreary to be called a glow, trimmed into drab ribbons by the
