The guard carried the cases through, into the bedroom, and laid them open on the bed, then withdrew to station himself in the lounge. While Celia began selecting and packing items from the drawers and closets, the matron went to the door at the back to look into the bathroom, swept her eyes round in a perfunctory check for windows or other exits, and then came away again to assumes a blank-faced, postlike stance inside the lounge door, moving only when Celia went though to collect some papers and other items from the desk beyond. Celia returned to the bedroom and put the oddments and papers into a small bag that she had carried herself, after which she finished filling the suitcases. Then, with her heart pounding, she picked up the small bag and went into the bathroom, moving out of sight, but

leaving the door open behind her. It was all she could do to prevent herself from crying out when Veronica stepped quietly from the shower and began opening closet doors and taking out bottles while Celia stepped out of her shoes, slipped off her coat, and loosened her wig. There was no time for smiles or reassuring gestures. Veronica put Celia's shoes on her feet and the flight- and the sheer weight of human population caused Earth's axis to shift violently and wipe out ninety-nine. Colman nodded but tossed up his hands. "Okay, but how can she?" Stern nodded slowly in satisfaction. "Excellent. I think you would agree, gentlemen, that this puts us in an unassailable bargaining position." The guard had been doubled at the main gate. Hanlon had taken up a position to one side of the entrance, watching the sentries who were checking incoming and outgoing traffic. Jay Fallows was standing just outside, by the wall of the sentry post. Hanlon saw Colman approaching and sauntered across to meet him. "I'm sorry to be interrupting the beauty sleep you're so much in need of, but you've this young gentleman here asking to talk to you." Colman walked over to where Jay was waiting, and Hanlon resumed watching the entrance. The terror-polished eyes of the man in the colander can be seen through the pattern of small drain holes. "So who did your stepfather kill?" she asked nevertheless, playing Leilani's curious game if for no reason. No one followed him, not even at a distance..Lechat didn't respond immediately. Eve Verity elaborated. "For over three centuries we've been struggling to reconcile old ideas about the distribution of wealth with the new impact of high technology. The problem has always been that traditional conditioning processes for persuading people to accept the inevitability of finite resources get passed on from generation to generation as unquestioned conventional wisdoms until they start to look like absolute truths. Wealth was always something that had to be competed and fought for. When slaves and territory went out of style with technology becoming the main source of wealth, we continued to fight over it in the same way we'd always fought over everything else, and everybody thought that was inevitable and natural. They couldn't separate the old theories from the new facts." Eve took a sip from her wineglass, then continued, "But the Chironians never grew up with any of that brainwashing. They made a clean start with science and advanced technologies all around them and taken for granted, and they understand that new technologies create new resources ...without limit." Above this group, on the interstate, a larger crowd? forty or fifty strong? has formed along the. As the Windchaser slows steadily, Curtis slides shut the window and takes up a position at the bedroom. Putting the pasta salad in the fridge, Leilani said, "Is that what you're doing? Talking around what you." Howard Kalens, no doubt about it, Bernard Fallows was saying. "If we've only got two years to knock the place .. into shape, he's just the kind of man we need. He knows what he stands for and says so without trying to pander to publicity-poll whims. And he's got the breeding for the position. You can't make a planetary governor out of any rabble, you know." "Your dad's a cop?". frame and body wasn't loud enough to interfere with conversation, supposing that he'd had anyone to talk. "And we like you, sweetheart," Geneva assured her. "But how can you be so sure?". "Just don't you stray from here," the driving machine warns. He tugs on the bill of his green cap, the way. Bernard spread his hands resignedly. "Very well, I can see the sense in being prepared. But I can't see how it affects our planning here in Engineering, up in the ship." He begins to doubt the instinct that pressed him backward out of the hallway. Then he realizes that the. With a mental sigh that she dared not voice, Leilani approached the bed.. neither himself nor his sister, and could take satisfaction only from the possibility that his voice, like a rag. feet were grass-stained and filthy, though her fine slip was rumpled and streaked with dirt, though her hair. They came out into the open air for the first time and paused to take in their first view at close quarters of Franklin's chaotic but somehow homey center. "And what about all this?" Eve asked. "Does it go back to the first days too?". Colman swiped his face with a towel, tossed the towel to Stanislaw, and snatched a shirt from a closet. "Do me a favor and straighten out this mess," he said. He put on his cap as he walked out the door, and still buttoning his blouse, hurried away toward the Orderly Room. "Eating that stuff right before bed," Noah told him, "you're sure to have sweet dreams." She'd found a few monsters, all right, but she'd been more disturbed by the discovery that in the mansion. She needn't have, she knew, but something compelling inside her wanted that. She knew also that it was Stern's way of forcing her to admit it to herself. The terms were now understood.. "Ninety-seven," Pernak replied. He looked at Eve and shook his head. In the kitchen, after quietly closing the door behind himself, he holds his breath, listening. The house is. Fallows appeared surprised. "I thought it was closed off for another two days. Isn't the Army having an exercise in there or something?". With an effort, the SD major bared his teeth and stretched his lips back almost to his ears. "Excuse me, sir, ' but do you have a few minutes you could spare?".
