He had already taken their names and established that they had not witnessed the incident firsthand. "You guys are free to go," he informed them. "If there's a hearing, you might be called in to testify. If so, the appropriate people will contact you." Everybody looked inquiringly at everybody else, but there was apparently nothing more to be added for the moment. At last Colman rose to his feet. "Then I guess the sooner we get moving, the more chance we'll have of figuring out all the angles." The others in the room got up by ones and twos from where they had been sitting. Colman, Lechat, Bernard, and Celia gathered by the door in preparation to leave, while the others moved across to see them on their way, with Veronica clinging to Celia's arm. "Why should you be nice to people who are acting like they're trying to take over your ship? One Door Away From Heaven. She goes..great resources and urgency across the West. He's probably returning from a late dinner, with a thermos. "You're a better person than any of them." this chill of helplessness, familiar to her since childhood, an icy resentment sometimes formed, and from it must be clotting ahead of them. "The Director alone has the prerogative to decide that," Fulmire told him coldly. Book design by Virginia Norey. "You don't understand," Jay said. "On Earth, a lot of people would see that as their big ambition in life." This scheme at last explained a number of things which previously had been noted merely as empirically observed curious coincidences. It explained why quarks came in three colors: Each one-plus-two combination of dums and dees. woman. They looked round to find the first vehicles crammed with troops, many of them in suits, and weaponry slowing down as they passed through the space between the lock doors, and then speeding up again without stopping as they were waved on through. More followed, their occupants looking formidable and determined, and Lesley gave orders for them to be directed between the remaining three feeder ramps to get close to the Battle Module at all four of its access points. "Will do. See you in a few minutes." giant fiery boots. "You've got it," Kath said lightly. "Isn't that what teaching children is all about?" "And you're Corporal Swyley, who sees things that aren't there," Kath said, moving round a step. "Your Captain Sirocco told me about your ability. I like him. He told me about the way you ruined the exercise up on the ship too. I thought it was wonderful." and had to endure her verbal battering? sometimes for hours? until she wound down or went away to. "Grumbling, but not too bad. Any news from inside?" "Nothing yet. It's about time you took a breather. I'll be out in a few minutes to take a spell with Carson and Young. Tell Swyley and Driscoll to stand down with you. They've been out there the longest." "She got tied up over lunch trying to answer questions about superhorns and quasars," Francine explained. Leilani herself had written lousy weepy epic poems about lost puppies and kittens nobody wanted, but. "Well what do you know--I'm on the loose tonight," Paula said, giving Hanlon a cosy look. away five years ago. "Old Yeller would be your dog?" "You see--he's practicing being married already," Bernard said to Pernak with a laugh. Pernak grinned momentarily. Bernard looked at his son. "Well, it's early yet. Figured out what you're doing this afternoon?" Bernard shook his head. "No. We're in touch with them but Wellesley vetoed any mention of it." Colman nodded. He wouldn't have risked their deciding to fire first either. Bernard went on, "Wellesley's tried contacting the Battle Module too, but Stern won't talk. We sure he'll keep the module attached until after the attack goes in-in other words if he doesn't pull it off and gets blasted, we all get blasted. The same thing applies if the Chironians decide to press the button. We have to assume he's on a forty-minute countdown, Hanlon and Annley are on their way there, and Sirocco left a few minutes ago. Borstein is sending through everybody he can scrape together. What are the chances?" has been his companion for the past hour, as he's traveled twisting trails through exotic underbrush. dreadfulness would not merely have embarrassed Aunt Geneva; it would have shocked and appalled her. scamp, a rascally fun-loving creature that lives by the simple rules of wild things. Colman watched for a moment, then turned slowly back and began moving toward the bulkhead door. He didn't feel resentful, nor particularly surprised. He'd seen it all too many times before. Fallows wasn't a bad guy; somebody somewhere had jumped on him, that was all. "He might know all about how machines work," Colman murmured half-aloud to himself as he returned to the gallery outside the Bomb Factory. "But he doesn't understand how they think." "Can we go too?" Marie asked, evidently having forgotten her previous convictions. "I want to gets lots of things." "It pays to have friends," Colman grunted. Merrick allowed his hands to drop down to his chest. "And how are you settling in? Is your family adjusting well?" Micky wished this would prove true; but she might be setting herself up for disappointment. Faith in the. Luck never favored Leilani, however, so she didn't assume that this would be the night when he received. "Worming your way into our hearts," Micky continued, because saying our instead of my seemed to. Supposing he had glimpsed two men wearing cowboy hats, he still couldn't have been sure that they. To Tracy Devine, my editor, who never panics when, far past my deadline, I want to take yet more time. Another missile salvo streaked in and smashed into the walls and structures inboard from the lock, wiping out half the force that had just begun to move. The survivors reeling among the wreckage began crumpling and falling under a concentrated hail of HE and cluster fire from M32s and infantry assault artillery. What was left of the covering force broke and began running back in disorder. "Get everybody out! Pull back to-" The glass partition imploded under a direct hit, and a split second later a guided bomb carrying a five-hundred-pound incendiary warhead put an end to all resistance in the vicinity of Number 2 Aft Access Port, "Number One Forward Port has surrendered," Oorsden said tightly, taking in another report. "The firing has stopped there. Nickolson is leading his men out, including his reserve. We have no choice." Being among people is helpful, too. A crowd distracts the enemy? not much but sometimes enough to. exaggerated, ferocious grin. He leans over the sink, closer to the mirror, and studies his bared teeth with. '-You got it wrong," Colman told them. "It's not the little ones at all." He widened his eyes in a parody of lewd anticipation and grinned. "Think of all those grandmothers." Terry and Paula laughed. Hesitantly, the intruder follows the mutt into Starship Command Center. But he had to stay, as Sirocco and the 80 percent of D Company who were still in Phoenix had to stay. After Swyley went, Driscoll went, and many of the others went, Sirocco had called the rest together and reminded them about the weapons in the Mayflower 11. "If the kind of people who are starting to come out -of the Woodwork now get their hands on those weapons, we could have a catastrophe that would end civilization across this whole planet. You've all seen what's happening back on Earth. Well, the same mentalities are here too, and they're panicking. We must keep enough of the Army together to stop anything like that if we have to." And so they had stayed. When she reached the swagging fence, Micky could see that the tormented spirit was of this earth, not. But you hardly even talked about it. Hell, I know I'm twenty years older too, but at least I haven't forgotten all the things we used to talk about. We were going to help build a new world-our world, the way it ought to be, Well, we've arrived. The ride's over. Isn't it time we started thinking about earning the ticket?" She's never told us his name. She's got this thing about names. She says they're magical. Knowing. A thieving cloud pocketed the silver-coin moon. "A shuttle's lifting off from Bay Five at 2130," she said. "I'll be coming off it about thirty minutes before it leaves. All I need, is to get over into Chironian territory. I can make it on my own from there." the floor. He stays low, hoping to get out of sight before the two cowboys arrive. He avoids collisions. gasps for breath, and the cool air is rough in his raw throat. His heart like a horse's hooves kicks, kicks. "Leilani, honey, you're not going back there," Geneva declared. "We're not going to let you go back to. After watching the macabre ritual for several minutes, he turned to study the red-bearded Chironian, who was standing impassively almost beside him. He appeared to be in his late twenties or early thirties, but his face had the lines of an older man and looked weathered and ruddy, even in the pale light of the floodlights. His eyes were light, bright, and alert, but they conveyed nothing of his thoughts. "How did it happen?" Colman murmured in a low voice, moving a pace nearer. This time, the pacifist didn't smile. "Guess I should have said do the smart thing."
