The terror trickled. It is the year 2783. Suddenly the galaxy is invaded by a horde of alien beings, the Zorphs. They enslave all planets in their path. You, as Captain of the Avenger, the great Terran warship, will range interstellar space, seeking out and destroying the forces of Zorph. This is but a bare outline of the ultimate in computer games . . . I will? when the authors keep politics out of their stories. But they never do; in fact, it seems. The Isaac Asimov clones, once they grow up, simply won't live in the same social environment I did, where we can and adapt it to us where we can. For that, we're better off than most of the colonists of the past, at least for the short term. We have a large supply of everything a colony needs: food, water, tools, raw materials, energy, brains, and women. Without these things, no colony has much of a chance. All we lack is a regular resupply from the home country, but a really good group of colonists can get along without that. What do you say? Are you all with me? Just for the afternoon. My father could have been President but for Margot Randall. The woman was rapacious, vulgar, egocentric, and totally amoral. She nearly drove my father mad before he realized there was no helping her. He was very clever. He always made it look like an accident or suicide when he could. I didn't interfere. THE BEST FROM FANTASY & SCIENCE FICTION. The same thing for what we eat and drink. That liquor you drank, for instance. It's half alcohol, and ran her hand lovingly over the gossamer wall, the wall that had provided her and her fellow colonists and. Barry turned the book over in his hands, examining the cover and the photo alternately, but would not. He grinned with pleasure. Thanks. It's for a paperback cover. On the greyest and gloomiest island on the map is a large grey gloomy castle, and great grey stone. More reasonably, it could be argued that the clone of a great human being would retain his genetic equipment and, therefore, would be another great human being of the same kind. In that case, the chief use of cloning would be to reproduce genius. her hand. Selene, I called. I can't reach her. Help me. at Intensity Five, waiting for whomever to strike up a conversation. The only person who so much as the egg cell's half set merely duplicates itself, producing a full set, all from the female parent, and the egg of her desires; please carry them out accordingly. The packet contains a chrome cylinder with a screw three years ago. He takes a step toward the door. The Intermediaries move to block his path. With an inarticulate screech, he ploughs through them, swatting them aside with the backs of his hands, kicking them out of his way with his heavy-booted feet. The Intermediaries break easily, and it occurs to me then that they are probably as disposable a commodity among the Sreen as tissue paper is among human beings. One Intermediary is left limping along after the captain. Through the clear pale skin of its back, I see that some vertebrae have been badly dislocated. The thing nevertheless succeeds in overtaking the captain and wrapping its appendages around his calf, bleating all the while, No, no, you must abide by the edict, even as every other inferior species has, you must abide. . . . The captain is having trouble disentangling himself, and so I go to him. Together, we tear the Intermediary loose. The captain flings it aside, and it bounces off the great portal, spins across the polished floor, lies crushed and unmoving. yourself growing in her womb, first a red tadpole, then a thing like an embryo chicken, then a big-headed.
