She, well disguised in dirt and a farmhand's old smock and leggings and a loathsome felt hat, did not wink back. She played her part even while they sat side by side dangling their legs over the tailgate, with six great halfturns of wine jolting between them and the drowsy carter, and the drowsy summer hills and fields slipping slowly, slowly past. "The young men come to me and they say, "What good is it? Can you find gold?" they say. "Can you teach me how to make stones into diamonds? Can you give me a sword that will kill a dragon? What's the use of talking about the balance of things? There's no profit in it," they say. No profit!" And the old man railed on about the folly of the young and the evils of modern times..these festivals, and, perhaps, in the performance of spells of magic..It cost him a great effort to speak..the use of a gift of power, he thought, if not to get out of a trap?.."It's him has to go.."..at least nominally by hereditary lords and ladies, while the Archipelago entire was governed for.."I'm not truly a teller, mistress," he said with his pleasant smile, "but I do have a story for you."
