At first he was overwhelmed with fierce fantasies of power and revenge: he would free the slaves, he would spellbind Gelluk and hurl him into the refining fire, he would bind him and blind him and leave him to breathe the fumes of quicksilver in that highest vault till he died... But when his thoughts settled down and began to run clearer, he knew that he could not defeat a wizard of great craft and power, even if that wizard was mad. If he had any hope it was to play on his madness, and lead the wizard to defeat himself.."We could find no trace of him. No doubt he changed himself to a bird or a fish when he left Roke, until he came to some other island. And a wizard can hide himself from all finding spells. We sent out inquiries, in the ways we have of doing so, but nothing and nobody replied. So we set off looking for him, the Summoner to the eastern isles and I to the west. For when I thought about this man, I had begun to see in my mind's eye a great mountain, a broken cone, with a long, green land beneath it reaching to the south. I remembered my geography lessons when I was a boy at Roke, and the lay of the land on Semel, and the mountain whose name is Andanden. So I came to the High Marsh. I think I came the right way."A reddish seam remained, a scar through the dirt and gravel and uprooted grass..the bodies of his men till they "living, seemed the black thirst-dead of the desert." To spare his.round. "The names witches give each other are not our concern here," he said. "If you have some.Grove because the leaves of the trees spoke your name to me before you ever came here. She began to gasp for breath. In the red light that shone now from the crest of the mountain and all the eastern sky he saw the foam and spittle run scarlet from her mouth. Sometimes she clutched at him, but she did not speak again. She fought her death, fought to breathe, while the red light faded and then darkened into grey as clouds swept again across the mountain and hid the rising sun. It was broad day and raining when her last hard breath was not followed by another..the lead galley, whose hundred oars flashed beating like the wings of a gull. Sometimes he was
