That's among positive results of mcdougal could influence your readers outside of each concept. And this ebook is extremely had to browse detail by detail, so it may be consequently ideal for your life and you. There was once aforetime a certain sharper, who [was so eloquent that he] would turn the ear inside out, and he was a man of understanding and quick wit and skill and perfection. It was his wont to enter a town and [give himself out as a merchant and] make a show of trafficking and insinuate himself into the intimacy of people of worth and consort with the merchants, for he was [apparently] distinguished for virtue and piety. Then he would put a cheat on them and take [of them] what he might spend and go away to another city; and he ceased not to do thus a great while..? ? ? ? ? Some with religion themselves concern and make it their business all; Sitting, (53) they weep for the pains of hell and still for mercy baw!!46. The Sharper of Alexandria

and the Master of Police cccxli. Now this was at the beginning of the month, and when it was the end thereof, Aboulhusn longed to drink wine and returning to his former usance, furnished his saloon and made ready food and let bring wine; then, going forth to the bridge, he sat there, expecting one whom he should carouse withal, as of his wont. As he sat thus, behold, up came the Khalif [and Mesroul] to him; but Aboulhusn saluted them not and said to them, "No welcome and no greeting to the perverters! (31) Ye are no other than devils." However, the Khalif accosted him and said to him, "O my brother, did I not say to thee that I would return to thee?" Quoth Aboulhusn, "I have no need of thee; and as the byword says in verse: 8. Ali ben Bekkar and Shemsennehar cxliii. When the two young men presented themselves before him and set forth their case to him and to the folk and the king heard their speech, he knew them and his heart was like to fly for joyance in them: the tears poured from his eyes at their sight and that of his wife, and he thanked God the Most High and praised Him for that He had reunited [him with] them. Then he dismissed the folk who were present about him and bade commit the Magian and the woman and the two youths to his armoury (65) [for the night], commanding that they should keep guard over them till God caused the morning morrow, so he might assemble the cadis and the judges and assessors and judge between them, according to the Holy Law, in the presence of the four cadis. So they did his bidding and the king passed the night praying and praising God the Most High for that which He had vouchsafed him of kingship and puissance and victory over (66) him who had wronged him and thanking Him who had reunited him with his family. When the boy grew up, his father feared for him from poverty and change of case, so he said to him, 'Dear my son, know that in my youth I wronged my brothers in the matter of our father's good, and I see thee in weal; but, if thou [come to] need, ask not of one of them nor of any other, for I have laid up for thee in yonder chamber a treasure; but do not thou open it until thou come to lack thy day's food.' Then he died, and his wealth, which was a great matter, fell to his son. The young man had not patience to wait till he had made an end of that which was with him, but rose and opened the chamber, and behold, it was [empty and its walls were] whitened, and in its midst was a rope hanging down and half a score bricks, one upon another, and a scroll, wherein was written, 'Needs must death betide; so hang thyself and beg not of any, but kick away the bricks, so there may be no escape (225) for thee, and thou shall be at rest from the exultation of enemies and enviers and the bitterness of poverty.' In this island is a river of very sweet water, issuing from the shore of the sea and entering in at a wide cavern in the skirt of an inaccessible mountain, and the stones of the island are all limpid sparkling crystal and jacinths of price. Therein also is a spring of liquid, welling up like [molten] pitch, and when it cometh to the shore of the island, the fish swallow it, then return and cast it up, and it becometh changed from its condition and that which it was aforetime; and it is crude ambergris. Moreover, the trees of the island are all of the most precious aloes-wood, both Chinese and Comorin; but there is no way of issue from the place, for it is as an abyss midmost the sea; the steepness of its shore forbiddeth the drawing up of ships, and if any approach the mountain, they fall into the eddy aforesaid; nor is there any resource (205) in that island. One day my master said to me, 'Knowest thou not some art or handicraft?' And I answered, saying, 'O my lord, I am a merchant and know nought but traffic.' Quoth he, 'Knowest thou how to shoot with a bow and arrows?' And I replied, 'Yes, I know that.' So he brought me a bow and arrows and mounting me behind him on an elephant, set out with me, at the last of the night, and fared on till we came to a forest of great trees; whereupon he made me climb a high and stout tree and giving me the bow and arrows, said to me, 'Sit here, and when the elephants come hither by day, shoot at them, so haply thou shalt hit one of them; and if any of them fall, come at nightfall and tell me.' Then he went away and left me trembling and fearful. I abode hidden in the tree till the sun rose, when the elephants came out and fared hither and thither among the trees, and I gave not over shooting at them with arrows, till I brought down one of them. So, at eventide, I went and told my master, who rejoiced in me and rewarded me; then he came and carried away the dead elephant. . . . O'erbold art thou in that to me, a stranger, thou hast sent These verses; 'twill but add to thee unease and discontent. Haroun er Reshid and the Woman of the Barmecides, i. 57. . . . d. The Fourth Voyage of Sindbad the Sailor cclix. Prince who fell in Love with the Picture, The, i. 256. When the Khalif heard this, he laughed heartily and said, "By Allah, O my brother, thou art indeed excused in this matter, now that I know the cause and that the cause hath a tail. Nevertheless if it please God, I will not sever myself from thee." "O my guest," replied Aboulhusn, "did I not say to thee, 'Far be it that what is past should recur! For that I will never again foregather with any?'" Then the Khalif rose and Aboulhusn set before him a dish of roast goose and a cake of manchet-bread and sitting down, fell to cutting off morsels and feeding the Khalif therewith. They gave not over eating thus till they were content, when Aboulhusn brought bowl and ewer and potash (16) and they washed their hands. Presently, his father and his mother heard of the matter; whereupon the former arose and going up to the place, wrote a letter and [presented it to the king, who] read it, and behold, therein was written, saying, 'Have pity on me, so may God have pity on thee, and hasten not in the slaughter [of my son]; for indeed I acted hastily in a certain affair and drowned his brother in the sea, and to this day I drink the cup of his anguish. If thou must needs kill him, kill me in his stead.' Therewith the old merchant prostrated himself before the king and wept; and the latter said to him, 'Tell me thy story.' 'O my lord,' answered the merchant, 'this youth had a brother and I [in my haste] cast them both into the sea.' And he related to him his story from first to last, whereupon the king cried out with an exceeding great cry and casting himself down from the throne, embraced his father and brother and said to the former, 'By Allah, thou art my very father and this is my brother and thy wife is our mother.' And they abode weeping, all three. 34. The Imam Abou Yousuf with Haroun er Reshid and his Vizier Jaafer ccxcvi. . . . All, all, for thy sweet sake, I left; ay, I forsook Aziz, my sire, and those akin to me that hight. We sat down and I looked at him who had opened the door to us, and behold he was lopped of the hand. I misliked this of him, and when I had sat a little longer, there entered a man, who filled the lamps in the saloon and lit the candles; and behold, he also was handlopped. Then came the folk and there entered none except he were lopped of the hand, and indeed the house was full of these. When the assembly was complete, the host entered and the company rose to him and seated him in the place of honour. Now he was none other than the man who had fetched me, and he was clad in sumptuous apparel, but his hands were in his sleeves, so that I knew not how it was with them. They brought him food and he ate, he and the company; after which they washed their hands and the host fell to casting furtive glances at me. Then, when it was night, she brought her to me, after she had adorned her and perfumed her, and said to her, "Gainsay not this thy lord in aught that he shall seek of thee." When she came to bed with me, I said in myself, "Verily, this damsel (216) is more generous than I!" Then I sent away the slave-girl and drew not nigh unto her, but arose forthright and betaking myself to my wife, lay with her and did away her maidenhead. She straightway conceived by me and accomplishing the time of her pregnancy, gave birth to this dear little daughter; in whom I rejoiced, for that she was lovely to the utterest, and she hath inherited her mother's wit and her father's comeliness. . . . p. The Idiot and the Sharper dccccv. When the appointed day

arrived, En Numan sent for Sherik and said to him, "Verily the first part of this day is past." And Sherik answered, "The king hath no recourse against me till it be eventide." When it evened, there appeared one afar off and En Numan fell to looking upon him and on Sherik, and the latter said to him, "Thou hast no right over me till yonder fellow come, for belike he is my man." As he spoke, up came the Tai in haste and En Numan said "By Allah, never saw I [any] more generous than you two! I know not whether of you is the more generous, this one who became warrant for thee in [danger of] death or thou who returnest unto slaughter." Then said he to Sherik, "What prompted thee to become warrant for him, knowing that it was death?" And he said, "[I did this] lest it be said, 'Generosity hath departed from viziers.'" Then said En Numan to the Tai, "And thou, what prompted thee to return, knowing that therein was death and thine own destruction?" Quoth the Arab, "[I did this] lest it be said, 'Fidelity hath departed from the folk.'" And En Numan said, "By Allah, I will be the third of you, (173) lest it be said, 'Clemency hath departed from kings.'" So he pardoned him and bade abolish the day of ill-omen; whereupon the Arab recited the following verses:
