To be Miss Georgia and have such a lot of talent? isn't that enough? I would have thought you'd. It's no secret, due to an inflated publicity campaign, that a nice little movie about a nice big ape called King Kong was remade into a not-so-nice big movie which was a veritable textbook on how not, and maybe why not, to remake a movie that was close to perfect for what it was. Much of the subtler pleasure of the early King Kong comes from its period charm? the naivet?, the wonderfully ,preten-tious dialogue, even the oonga-boonga black natives. All this could not in any way survive modernization; "big screen" (whatever that means these days) and color did not make up the difference, nor for the loss of other wonderfully amusing bits from a studio jungle full of dinosaurs to Fay

Wray's uncovered bosom..since the departure of the Edgar Rice Burroughs.."Well," said Amos at last, "I think I'll go outside and walk around the deck a bit.".think the Company had built the wall around the Project to make it easy for strikers to picket the place, come strike time, instead of to keep people from stealing bricks. The gate's pretty wide, of course, but four pickets can guard it easily, and the wall's high enough to discourage anybody from trying to scale it..We know his name. Patient researchers, using advanced scanning techniques, followed his letters back through the postal system and found him, but by that time he was safely dead.."He's gone too. When he resumed speaking, his tone had lightened slightly. "In the area that concerns all of us here in our day-to-day lives, the accelerating pace of the space program has brought a lot of excitement in the last two decades. Some inspiring achievements have helped offset the less encouraging news from other quarters: We have established permanent bases on the Moon and Mars; colonies are being built in space; a manned mission has reached the moons of Jupiter; and robots are out exploring the farthest reaches of the Solar System and beyond. But" --he extended his arms in an animated sigh---"these operations have been national, not international. Despite the hopes and the words of years gone by, militarization has followed everywhere close on the heels of exploration, and we are led to the inescapable conclusion that a war, if it comes, would soon spread beyond the confines of the surface and jeopardize our species everywhere. We must face up to the fact that the danger now threatening us in the years ahead is nothing less than that.".him.".change places with Ben.
