Then she stopped and turned to face me. "Ill have to ask you for a tavor. Mandy doesn't know about my practice sessions. Not being a dancer, she wouldn't understand how

important this is to me, either. She'd just be upset knowing I was here out of my time. So when you take her to lunch today, please don't mention you saw me." "You have done very well," said the grey man pointing to the wall where he had hung the first two pieces of the mirror together. Now they could make out what the shape of the third would be. "And if you get the last one, you will have done very well indeed." It was a small story on page three, not very exciting or newsworthy. Last night a man named Maurice Milian, age 51, had fallen through the plate-glass doors leading onto the terrace of the high-rise where he lived. He had been discovered about midnight when the people living below him had noticed dried blood on their terrace. The only thing to connect the deaths of Harry Spinner and Maurice Milian was a lot of blood flowing around. If Milian had been murdered, there might be a link, however tenuous. Thank..trip. Time enough for that on later flights. We were blinded by our loyalty to the test-pilot philosophy of..the typewriter..Unfortunately, launching twelve thousand torpedoes simultaneously put a serious overload on our computer system. Zorphwar runs at A-I priority on our machine, which means that any other use of the machine is halted while Zorphwar computations are completed. As you may have noticed, it took approximately forty minutes for the machine to compute the paths through the galaxy of those torpedoes, to determine their impact points, and

to calculate the radius of destruction of each burst. Normally such overloads are handled by adjusting the work load in the Computer Center. However, at three thirty yesterday, the Center was in the midst of printing the paychecks for the entire Computer Products Division. The little delay our game occasioned upset the very tight schedule for that operation. As a result, all checks from R through Z were not printed on time and failed to make the courier flight to the West Coast That is the reason your paycheck was not delivered to you today. Regrettably, it is also the reason that Division President Tailing and Corporation Comptroller Westland were not paid this week. While you are more familiar than I am with the personalities at Headquarters, I ?aspect that both of these gentlemen like to receive their paychecks. I trust that, if any investigations come out of this little incident, you will do your best to emphasize the fact that the Zorphwar program has already been modified to permit the launching of no more than tea doomsday torpedoes in one attack. Thus, this particular problem on never occur again..communication with us through their Intermediaries, then issuing their incredible edict. They do not
