"I made no mention of your wanting to save yourself physically. I have already pointed out that we are both realists, so there is no need for you to feel any obligation to pretend that you misunderstood." He paused as if to acknowledge her right to reply, but gave the impression that he didn't expect her to. She raised her glass to her lips and found that her hand was trembling slightly. Stern resumed. "The dream has crumbled away, hasn't it, Celia. I know it, you know it, and a part of Howard's mind knows it deep down inside somewhere while the rest is going insane. You expected to share a world, but instead all you stand to share is a cell with a madman. The world is still out there but you cannot accept it as it is, and Howard will never be able to change it now." Stern extended a hand expressively. "And the future awaits you." He paused again, watched as Celia lowered her eyes, and nodded. "Yes, I could persuade Wellesley to overrule the eviction orders, or arrange for Borstein to reinforce the Phoenix garrison, put SDs around the house so that you would never have need to fear for your safety. But is that what you want me to do?". "Our ambassador would like to talk to you. It's not far..snake; no place will belong to Leilani, no smallest place. Her life wouldn't now be a long series of waking dreams and nightmares."An expert on ladies in need of stimulating entertainment, perhaps?". Inside, a large hail of counters and shelves displayed all manner of products from electronic devices and scientific instruments at one end to rainwear and sports equipment at the other. As they entered, a self-propelled cart detached itself from a line near the door and trundled along a few feet behind them, at the same time announcing, "Welcome to Mandel Bay Merchandise. Did you ever think of laying out your own garden and tending it manually? It's good open-air exercise, very relaxing, and ideal for turning those things over in your mind that you've been meaning to think about... as well as the soil, he-he! We have a special offer of the most expertly crafted and finished hand tools you've ever seen, every one with .."I never said anything of the kind. The whole point is that they are no~ indiscriminate. That's precisely what a lot of people around here won't get into their heads, and why they have nothing to be afraid of. The Chironians don't draw a line around a whole group of people and think everyone inside it is the same. They haven't started hating every soldier because he happens to wear the same color coat as the bunch that's running wild

down there, and they won't start hating every Terran either. They don't think that way." followed seemed to be charged with some supernatural energy, as the aura of an elemental spirit might. "Fifty-fifty," Colman answered. "It would have been ~zero the other way." threat of those same forces. She could think of no way to rescue Leilani, just as she had never been able. heard only sincerity. He didn't know squat about kids, didn't care to learn, and lie expected them to be. Yuck. This was going to be worse than blood and mutilation.
