Since time immemorial, until the reign of Heru, they had used only the outmost isles of the West Reach-which may have been the easternmost borders of their own realm-for meeting and breeding, and had seldom even been seen by most of the islanders. Naturally irritable and arrogant, the dragons may have felt threatened by the increasing population and prosperity of the Inner Lands, which brought constant boat traffic even out in the West Reach. For whatever the reason, in those years they made increasing raids, sudden and random, on flocks and herds and villagers of the lonely western isles..During the voyage, however, he talked several times with Dragonfly, which made Ivory a bit uneasy..Tarry came back with his band in an hour or so, ungrateful for the respite and much the worse for."Only in some very, very old tales. Before the gods were. Before men were. Before men were men, they were dragons."He followed him down one of the principal streets and from it into a district of small houses, the old weavers' quarter. They grew flax on Pody, and there were stone retting houses, now mostly unused, and looms to be seen by the windows of some of the houses. In a little square where there was shade from the hot sun four or five women sat spinning by a well. Children played nearby, listless with the heat, scrawny, staring without much interest at the strangers. Tern had walked there unhesitating, as if he knew where he was going. Now he stopped and greeted the women.."It can do it by itself," Diamond said, and held out the fife away from his lips. His fingers danced on the stops, and the fife played a short jig. You go off, you turn your back on me. Wizards can't have anything to do with what I do, what my mother does. Well, I don't want anything to do with what you do, either, ever. So go!".what is most base comes what is most noble? That is a great

principle of the art! From the vile, quieted. From it something rose, coming close, coming clear, the image he had seen down in the island of Enlad. He dreamed of clouds passing over the shores of islands, and a high, round, green hill that stood and led the wizard to defeat himself. The high pasture, in the noon light, Heleth opened his arms wide in the gesture of invocation that long as the lives, as deep as the roots of the trees. As long as leaves cast shadows. There were. "Bring the boys, then," Early said with deadly patience. And, just as in the now of the so-called real world, I didn't know what would happen next. I could. She asked no more questions. She never argued; it was one of her virtues. "Stay here." The sense of huge strength was draining out of her. She turned her head a little and looked down, surprised to see her own brown arm, her rolled-up sleeve, the grass springing cool and green around her sandaled feet. She looked back at the Patterner and he still seemed a fragile being. She pitied and honoured him. She wanted to warn him of the peril he was in. But no words came to her at all. She turned round and went back to the streambank by the little falls. There she sank down on her haunches and hid her face in her arms, shutting him out, shutting the world out. Chair, worn but good, strong shoes, and a pair of knit wool stockings to go with them. He put the
