There was a hearth there, and they would light the fire. People came even from. Things came round if you could wait for them, she thought. "I'll set em out for you," she said. "Why? Everyone, I tell you!" Among these people was an old man whom they called, among themselves, the Changer. He showed Otter small, bulging bottle. She poured me a drink. It had alcohol in it -- not much -- but there was and grew more awake. The excited turmoil of his mind all the time he had been with Gelluk slowly. This speech, innate to dragons, can be learned by human beings. Some few people are born with an untaught knowledge of at least some words of the Language of the Making. The teaching of it is the heart of the teaching of magic. the farmlands of the slopes of Mount Onn, nothing ever changes much. There a song worth singing is. He sat up. The dark sea was so quiet that the stars were reflected here and there on the sleek lee side of the long swells. Oared galleys seldom went out of sight of land and seldom rowed through the night, laying to in any bay or harbor; but there was no moorage on this crossing, and since the weather was settled so mild, they had put up the mast and big square sail. The ship drifted softly forward, her slave oarsmen sleeping on their benches, the free men of her crew all asleep but the helmsman and the lookout, and the lookout was dozing. The water whispered on her sides, her timbers creaked a little, a slaves chain rattled, rattled again. "Would you like some fresh curds? It makes a good breakfast." She was eyeing him, but not for long, and not meeting his eyes. Like an animal, like a cat, she was, sizing him up but not challenging. There was a cat, a big grey, sitting on his four paws on the hearth gazing at the coals. Irioth accepted the bowl and spoon she handed him and sat down on the settle. The cat jumped up beside him and purred. "Obviously," he replied with a certain caution. Three children, two boys of fifteen or sixteen and a girl of twelve, were taken by one of Losen's patrols south of Omer, running a stolen fishing boat with the magewind. The patrol caught them only because it had a weatherworker of its own aboard, who raised a wave to swamp the stolen boat. Taken back to Omer, one of the boys broke down and blubbered about joining the Hand. Hearing that word, the men told them they would be tortured and burned, at which the boy cried that if they spared him he would tell them all about the Hand, and Roke, and the great mages of Roke. "What's changed?" sending he smiled a wide, sweet smile. But he looked old. He had never looked so old. Ogion had. The dark-eyed mage bowed his head at that, and said, "Very well," evidently with relief at accepting their judgment over his own. "Thorion has been much with the other Masters, and with the young men. Secret meetings, inner circles. Rumors, whispers. The younger students are frightened, and several have asked me or the Doorkeeper if they may go. And we'd let them go. But there's no ship in port, and none has come into Thwil Bay since the one that brought you, lady, and sailed again next day for Wathort. The Windkey keeps the Roke-wind against all. If the king himself should come, he could not land on Roke, "I'm a finder," he said. "And a seeker." ready to bury him. And then, by his grave, his eyes opened. He moved, and spoke. He said, "I have stung by flies. He said, "Oh! I can't --!" He bolted off into the dusk beyond the lanterns hanging. "I'll know. How do you know what name to say, Rose? Does the water tell you?" a viol. "Sleeping in the sunshine, like one whose work has been well done. So you've sent them. "I will," said Ivory, with a wink at Dragonfly. She, well disguised in dirt and a farmhand's old, though it is made of horn and framed in dragons tooth and carved with the Thousand-Leaved Tree, platform and I was on the "rast" -- there was not even anyone to ask, for the area around me was. All this went rushing through his mind like a flood breaking through a dam, while he stood at the. "Yes," said Ember. "We must hide, and forever if need be. They gave me all they had to give, but it was little. It was. They jolted on all the next day through a summer thundershower or two and came at dusk to Kembermouth, a walled, prosperous port city. They left the carter to his master's business and walked down to find an inn near the docks. Dragonfly looked about at the sights of the city in a silence that might have been awe or disapproval or mere stolidity. "This is a nice little town," Ivory said, "but the only city in the world is Havnor." a collateral line of the House of Enlad, inheriting the throne from a cousin; his forebears were. And they talked about that, all the wise women of the island: what was the true art of magic, and where did it turn false; how the balance of things was kept or lost; what crafts were needful, which useful, which dangerous; why some people had one gift but not another, and whether you could learn an art you had no native gift for. In such discussions they worked out the names that ever since have been given to the masteries: finding, weather-working, changing, healing, summoning, patterning, naming, and the crafts of illusion, and the knowledge of the songs. Those are the arts of the Masters of Roke even now, though the Chanter took the Finder's place when finding came to be considered a merely useful craft unworthy of a mage. of pearly minerals surrounded the mouths of the caves; in these people sat, legs dangling; small. "Well," Rose said, and dumped out the salt water on the bare dirt of the small front yard of her house, which, like most witches' houses, stood somewhat apart from the village. "Well," she said, straightening up and looking about vaguely as if for an answer, or a ewe, or a towel. "You have to know something about the power, see," she said at last, and looked at Dragonfly with one eye. Her other eye looked a little off to the side. Sometimes Dragonfly thought the cast was in Rose's left eye, sometimes it seemed to be in her right, but always one eye looked straight and the other watched something just out of sight, around the corner, elsewhere.
