He heard behind him the next tune start up, the viol alone, strong and sad as a tenor voice: "But he scared em, somehow, did he?". growing and the sparrows hopping, and now and

then a hawk far up in the sky, and the wind moving still gangs of robbers on the roads. So Ivory left Westpool on the big wagon pulled by four big in spells of protection, endurance, peace. They saw the Rule of Roke established, though never so. And the Old Powers of the Earth, which are manifest at Roke Knoll, the Immanent Grove, the Tombs. "What's your name?" she asked. .put food on the table. So she worked away unhurriedly every morning till she saw the mage come out. But he made no spell. He had no magic left in him. It was gone, run out of him into this terrible. Oskilii, spoken in Oskil and two islands northwest of it, has more affinities to Kargish than to Hardic. Kargish has diverged most widely in vocabulary and syntax from the Old Speech. Most of its speakers (like most Hardic speakers) do not realise that their languages have a common ancestry. Archipelagan scholars are aware of it, but most Kargs would deny it, since they have confused Hardic with the Old Speech, in which spells are cast, and thus fear and despise all Archipelagan speech as malevolent sorcery. Hemlock might have known then what he was up against; but having told the boy he would not be his master any longer, he could not in conscience command him. "You have a true gift, Essiri," he said, using the name he had given the boy in the springs of the Amia, a word that in the Old Speech means Willow. "I don't entirely understand it. I think you don't understand it at all. Take care! To misuse a gift, or to refuse to use it, may cause great loss, great harm." the Mountain. Erreth-Akbe's sword and set it atop the highest tower of his palace. After a long pause he went on. "You know that a dragon brought back our Lord Sparrowhawk, with the." "Yes," Irloth said. "I understand. You are a kind woman." She was talking about him, about his not only to make love you brought me here, Ivory," she said, "we can do that. If you still want to." She had never seen where he lived. He slept wherever he chose to, she imagined, in these warm summer nights, She asked him where the food they ate came from; what the School did not supply for itself, he said, the farmers round about provided, considering themselves well recompensed by the protections the Masters set on their flocks and fields and orchards. That made sense to her. On Way, "a wizard without his porridge" meant something unprecedented, unheard-of. But she was no wizard, and so, thinking to earn her porridge, she did her best to repair the Otter's House, borrowing tools from a farmer and buying nails and plaster in Thwil Town, for she still had half the cheese money. masthead, taking in sail at the hint of a west wind. But the wind held steady from the north. A. The Deed of Enlad, a good deal of which appears to be purely mythical, concerns the kings before one against the other in duels and combats of sorcery, careless of the evils they did, or worse. "You might keep some goats," Silence said. Bren's old dog had been. "He talks to em, and I'll swear they consider what he says. And that certainty that was like a tiny lamp held in his hands in a maze of caverns underground. He kept breath smelled earthy. His light eyes gazed directly into Otter's eyes. "Would you like to know?" "Make the light," she said. Her voice was a whimper, plaintive. "Can't you make the light?" It's a word in the language of the Alking. His own name in his own language. In our base tongue soul! But they put men where we put the world. And so they hold that a true wizard must be a man. By that time there were many people of the Hand who knew what was afoot on Roke. Young people came there sent by them. Men and women came to be taught and to teach. Many of these had a hard time getting there, for the spells that hid the island were stronger than ever, making it seem only a cloud, or a reef among the breakers; and the Roke wind blew, which kept any ship from Thwil Bay unless there was a sorcerer aboard who knew how to turn that wind. Still they came, and as the years went on a larger house was needed for the school than any in Thwil Town. She came there. She came to me, not in the body, and guided me to the track. She was only twelve. bright stars of the Forge, low over the sea. They were a little blurred, and as he watched them. He told her, as well as he could. "We were strangers. Yet she gave me her name," he said. "And I gave her mine." He spoke haltingly, with long pauses. "It was I that walked with the wizard, compelled by him, but she was with me, and she was free. And so together we could turn his power against him, so that he destroyed himself." He thought for a long time, and said, "She gave me her power." Several times, all of a sudden, in the daytime, there had been a moment when she had known him. schooling.
