For the first time, Medra was given a vision of magic not as a set of strange gifts and reasonless acts, but as an art and a craft, which could be known truly with long study and used rightly after long practice, though even then it would

never lose its strangeness. Highdrake's mastery of spells and sorcery was not much greater than his pupil's, but he had clear in his mind the idea of something very much greater, the wholeness of knowledge. And that made him a mage..Her father's ancestors had owned a wide, rich domain on the wide, rich island of Way. Claiming no title or court privilege in the days of the kings, through all the dark years after Maharion fell they held their land and people with firm hands, putting their gains back into the land, upholding some sort of justice, and fighting off petty tyrants. As order and peace returned to the Archipelago under the sway of the wise men of Roke, for a while yet the family and their farms and villages prospered. That prosperity and the beauty of the meadows and upland pastures and oak-crowned hills made the domain a byword, so that people said, "as fat as a cow of Iria", or, "as lucky as an Irian". The masters and many tenants of the domain added its name to their own, calling themselves Irian. But though the farmers and shepherds went on from season to season and year to year and generation to generation as solid and steady as the oaks, the family that owned the land altered with time and chance..Hemlock nodded. "That is quite understandable, among children. And quite impossible now. Do you squirrel scolded, far up in the oak, and a jay replied. Hound scratched his neck and sighed..they were dragons.".The witch shook her iron-grey head once. "I can't tell you." Her 'can't' did not mean 'won't'..and shepherds followed their flocks over the mountain to better pastures. Licky had left Otter outside sitting in the sun rather than in the room in the barracks. Otter was grateful to him. He could not be wholly comfortable with his hands bound and his mouth gagged, but wind and sunlight were mighty blessings. And he could breathe deep and doze without dreams of earth stopping his mouth and nostrils, the only dreams he ever had, nights in the cell..But few could pass through Medra's Gate..in Gont Port, and Dulse had sent Silence down instead, and there he had stayed..Medra stayed three years with Highdrake, and when the old mage died, the Lord of Pendor asked Medra to take his place. Despite his ranting and scolding against dragon hunters, High-drake had been honored in his island, and his successor would have both honor and power. Perhaps tempted to think that he had come as near to Morred's Isle as he would ever come, Medra stayed a while longer on Pendor. He went out with the young lord in his ship, past the Toringates and far into the West Reach, to look for dragons. There was a great longing in his heart to see a dragon. But untimely storms, the evil weather of those years, drove their ship back to Ingat three times, and Medra refused to run her west again into those gales.
