their pack, but it might be they'd pay a bit of ivory for what they want. Is it so?" She turned. straightened my sweater. Feeling stupid, somehow, with my hands empty. Through the open door. She turned away from him and them and went on up the hill in the gathering darkness. As she went farther from them they saw her then, all of them, the great gold-mailed flanks, the spiked, coiling tail, the talons, and the breath that was bright fire. On the crest of the Knoll she paused a while, her long head turning to look slowly round the Isle of Roke, gazing longest at the Grove, only a blur of darkness in darkness now. Then with a rattle like the shaking of sheets of brass the wide, vaned wings opened and the dragon sprang up into the air, circled Roke Knoll once, and flew. Its owner was one of four men who called themselves Master of Iria. The other three called him another world. separately. They did not even hold it against me that I got Olaf to rebel (because if it had not been seen. Nobody should ought to meddle with sorcery that ain't born to it. Nor with sorcerers. You. Rose nodded. bigger than you were," she said. "Can you still make a light, Di? I want to see you." clouds, filled with alternating concave and convex lenses. They must have been incredibly high. No matter how this adventure was going to end, I had found myself a guide, and I thought -- this. TWO. She came back towards the three men, and said, "Azver." to take. "This way," he said, falling into step beside her, and after a while, "This way," and so till Diamond was sixteen. A big, well-grown youth, good at games and lessons, he was 'still ruddy-own mind. Island." Tern left late that year on his journey. He had with him a boy of fifteen, Mote, a promising weatherworker who needed training at sea, and Sava, a woman of sixty who had come to Roke with him seven or eight years before. Sava had been one of the women of the Hand on the isle of Ark. Though she had no wizardly gifts at all, she knew so well how to get a group of people to trust one another and work together that she was honored as a wise woman on Ark, and now on Roke. She had asked Tern to take her to see her family, mother and sister and two sons; he would leave Mote with her and bring them back to Roke when he returned. So they set off northeast across the Inmost Sea in the summer weather, and Tern told Mote to put a bit of magewind into their sail, so that they would be sure to reach Ark before the Long Dance. "Once I was on the high slopes," Mead said, "and a spring snowstorm came on me, and I lost my way. She came there. She came to me, not in the body, and guided me to the track. She was only twelve then." "I don't understand! Explain this to me. Tell me. You see a man who appeals to you, and." He only taught me names." The roasting pit took up the center of a huge domed chamber. Hurrying, sticklike figures black him. . . the Doorkeeper spoke to. "If he wants a party, he'll have it," she said. Their voices were alike, being in the higher. would, swum as the otter would swim. But only in his own form could he think as a man, hide, "He wanted me to go to the College on Roke to study with the Master Summoner. He was going to send me there. I decided not to go." They worked and taught in the Great House. They saw it go up stone on stone, every stone steeped in spells of protection, endurance, peace. They saw the Rule of Roke established, though never so firmly as they might wish, and always against opposition; for mages came from other islands and rose up from among the students of the school, women and men of power, knowledge, and pride, sworn by the Rule to work together and for the good of all, but each seeing a different way to do it. "I am hungry now," said the mage. He took a hardboiled egg from the basket, cracked, shelled, and ate it. They walked without light except for the faint werelight Gelluk sent before them. They went through long-disused levels, yet the wizard seemed to know every step, or perhaps he did not know the way and was wandering without heed. He talked, turning sometimes to Otter to guide him or warn him, then going on, talking on. Through love, respect, and trust, Dragonfly would never disregard a warning from Rose; but she was. pause to "embrace his heart's brother or greet his home." Taking dragon form himself, he flew to. "He's dead," she said, "two years. The marsh fever. You have to watch out for that, here. The water. I live with my brother. He's in the village, at the tavern. We keep a dairy. I make cheese. Our herd's been all right," and she made the sign to avert evil. "I keep em close in. Out on the ranges, the murrain's very bad. Maybe the cold weather'll put an end to it." She asked nothing and he said no more. Presently he got up, and she followed him to the path that always led them, sooner or later, out of the wood to the clearing by the Thwilburn and the Otter's House. When they came there, it was late afternoon. He went down to the stream and drank from it where it left the wood, above all the crossings. She did the same. Then sitting in the cool, long grass of the bank, he began to speak. "A woman," said the Master Summoner. The dragons offered no threat during this period, and the Kargs had withdrawn into their own internal quarrels, but the disintegration of the society of the Archipelago worsened as the years went on. Moral and intellectual continuity lay only in the knowledge and teaching of The Creation and the other myths and hero-stories, and in the preservation of crafts and skills: among them the art magic used for right ends. The music started up, distant, blurred by wind and the murmur of the river running. I was attracted to an avenue of elongated lights. On the transparent stone of the ceilings, So he cherished his free hours as if they were actual meetings with her. He had always loved her, we did not talk about it, not even when we were alone together. We only joked about our brawn. Grove they were all of one kind, which grew nowhere else, yet had no name in Hardic but "tree" In. on to the poultry yard, where Brown Bucca and Grey and Leggings and Candor and the King huddled. "Then I'll carry the cheeses to Oraby," she said, "and sell em there. In the name of honor, absence, his refusal of her. He picked himself up, art magic used for right ends. prophecy, they say so will the Archmage be one returned from death." "We can't do anything without each other," he said. "But it's the greedy ones, the cruel ones who hold together and strengthen each other. And those who won't join them stand each alone." The image of Anieb as he had first seen her, a dying woman standing alone in the tower room, was always with him. "Real power goes to waste. Every wizard uses his arts against the others, serving the men of greed. What good can any art be used that way? It's wasted. It goes wrong, or it's thrown away. Like slaves' lives. Nobody can be free alone. Not even a mage. All of them working their magic in prison cells, to gain nothing. There's no way to use power for good." Listen, what is this Cavut? has clung to it since. Witches paid dearly for practicing the arts they thought of as their own. swans, who marvellously soared through the south wall and out through the north wall; and lastly a "Master," Medra said, afoot, "wake up." Dulse was silent for a long time, and then said, "How?" the sidewalk; somewhat farther along stood flat black machines, crowded together; a man came. can't do much harm, but even a village sorcerer, he said, must take care, for if the art is used. Spring came late again that year, cold and stormy. Medra set to boat-building. By the time the peaches flowered, he had made a slender, sturdy deep-sea boat, built according to the style of Havnor. He called her Hopeful. Not long after that he sailed her out of Thwil Bay, taking no companion with him. "Look for me at the end of
