You've seen little kids with those big, guileless, unguarded, inquiring eyes, haven't you?.something familiar about the sailor, who kept looking at the mountain and would not look back at him..Bat there are other reasons. Critical judgments are so complex (and take place in such a complicated context), the vocabulary of praise and blame available in English is so vague, so fluid, and so constantly shifting, and the physical space allowed is so small that critics welcome any way of expressing judgments that will be both precise and compact. If vivid be added thereunto, fine?what else is good style? Hence critics, whenever possible, express their judgments in figurative language. Wit is a form of condensation (see Freud if you think this is my arbitrary fiat) just as parody is a form of criticism (see Dwight McDonald's Modern Library collection thereof)..The prince dove and Amos dove after him..it was true, what he'd said. All the pigeons were the same size..I backed away, throwing my

Some defenses against this experience take the form of asserting there's no such thing as great art; some, that whatever moves one intensely is great art. Both are ways of asserting the primacy and authenticity of one's own experience, and that's fine. But whatever you (or I) like intensely isn't, just because of that, great anything, and the literary canon, although incomplete and biased, is not merely an insider's snobbish conspiracy to make outsiders feel rotten.
