"Captain," he said, "I'm sorry, I must wait to spell your sails. An earthquake is near. I must warn the city. Do you tell them down there, every ship that can sail make for the open sea. Clear out, past the Armed Cliffs! Good luck to you." And he turned and ran back up the street, a tall, strong man with rough greying hair,

running now like a stag.. "Really? Why not?" what the wizard was telling him. Yet he was certain, now, that Gelluk's ideas, the teaching he so hands, burned his tongue away when he tried to speak.. "I told him," Golden said, "that I had seen you, with a turn of your hand and a single word, change a wooden carving of a bird into a bird that flew up and sang. Pre seen you make a light glow in thin air. You didn't know I was watching. I've watched and said nothing for a long time. I didn't want to make too much of mere childish play. But I believe you have a gift, perhaps a great gift. When I told Master Hemlock what I'd seen you do, he agreed with me. He said that you may go study with him in South Port for a year, or perhaps longer." Spring came late again that year, cold and stormy. Medra set to boat-building. By the time the "A group of young men," said the Herbal, breathless, as he came to them. "Thorion's army. Coming. Hound was down at the door, they said. Early sent for him to come up.
