Bernard and Celia breathed sighs of relief as they recognized Colman's features beneath the watch-cap inside the helmet, dripping with perspiration but apparently unharmed. Column anchored himself to another part of the structure that Hanlon was on, unhitched his safety line and untangled it from the other one, and then helped Hanlon pull it in to produce another spacesuited figure, this time upside down and with a pudgy, woebegone face that was somehow managing to keep a thick pair of glasses wedged crookedly across its nose..He touched her brow.
