In Golden's understanding, money was power, but not the only power. There were two others, one equal, one greater. There was birth. When the Lord of the Western Land came to his domain near Glade, Golden was glad to show him fealty. The Lord was born to govern and to keep the peace, as Golden was born to deal with commerce and wealth, each in his place; and each, noble or common, if he served well and honestly, deserved honor and respect. But there were also lesser lords whom Golden could buy and sell, lend to or let beg, men born noble who deserved neither fealty nor honor. Power of birth and power of money were contingent, and must be earned lest they be lost..he could. Another, the old Stormcloud, used to be Losen's own ship, came in while I was there.
