He stood up agonizingly, like a slow motion movie, arching his spine backward, bis face contorted in pain. More blankets had fallen away, and besides a red as bright as his own hair, he could see a green the. 265. "Well have to get cutting tools from the ship," he told his crew. "They're probably in there. What a place this is! I can see we're going to be busy." He walked along the edge of the dense growth, which now covered several acres. He came to a section where the predominant color was purple. It was strangely different from the rest of the garden. There were tall whirligig derricks but they were frozen, unmoving. And covering all the derricks was a translucent network of ten-centimeter-wide strips of plastic, which was thick enough to make an impenetrable barrier. It was like a cobweb made of flat, thin material instead of fibrous spider-silk. It bulged outward between all the crossbraces of the whirligigs. The fire licks her body. The North Wind mumbled and groaned around the darkness for a while and at last said, "Very well." "Haven't I?" said the grey man. He reached under the table and
